MANIFESTO

With almost a decade of documenting wedding and fashion stories across the world, I've come to see each one as a creative collaboration. Through intentional direction and an intuitive documentary approach, my imagery is known for being artful and deeply personal.

From our first conversation, to the ease and trust you feel on your wedding day, to a final gallery that reads like a curated reflection of who you are together, right now.

My work resonates with couples drawn to fashion, art and emotion; couples who value effortlessness over perfection and authenticity over convention.

Anna
Founder & Lead Photographer

*What you receive is not just a collection of photographs.
It is a curated body of work, built from months of preparation,
a shared creative vision, and a presence on your wedding day that is both
invisible and utterly intentional.*

*Every experience I offer is designed around one thing: that you experience your
wedding to the fullest, and receive images that still feel true ten, twenty, thirty
years from now.*

*Below, you'll find three ways we can work together;
custom collections are available on demand.*

"From the very beginning, we knew we could trust Anna's vision.

She has an eye that turns everything into art — and her presence is incredibly calming."

Lisa & Avesh

"Anna is a true artist that captured our wedding in the most beautiful and authentic way. She not only is able to translate the essence of a wedding into photos, but also add the most interesting elements, angles, surrounding props to further enhance the beauty of the celebration."

Kristy & Tony

"Booking Anna was without a doubt the best decision we made throughout our wedding planning process. Anna exceeded our (already high!) expectations beyond belief - we've loved Anna's work for a long time prior to booking her for our wedding."

Chelsea & Ian

FILM PHOTOGRAPHY

Film adds texture, imperfection, and depth that digital cannot replicate.

If you'd love to continue exploring the opportunity of me joining your celebration, I'd be happy to connect via a video call and chat.

with love, Anna
